Dear Parents

I am writing to you on behalf of myself and the rest of the governors to express how pleased we are with "good" rating that the school has received following the recent Ofsted visit.

Having read the report it is obvious that we are only a short way from being what I believe we already are - an outstanding school.

The level of commitment shown by Kathryn, Rachel and the rest of the team is clearly evident not only in the report but also in the day to day care and teaching that the children receive. They should be rightly proud of what they have achieved and we are very grateful for all their effort and skill.

Over the time until our next visit I hope that we can continue to create a school which will be a leading example of what can be achieved in a small rural school.

Best wishes.

Yours sincerely

Jeremy Cundall
Chair of Governors
