

Carlton & Faceby Church of England Primary School

PE and Sports Funding 2018-2019

What is School Sports Premium Grant?

The Sports Premium Grant is additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils.

How much is the Sports Premium Grant?

Allocations for the academic year 2018/19 are calculated using the number of pupils in Years 1 to 6 and those age 5 in Reception, as recorded at the January census. At Carlton we will receive £16328 and brought forward £3840. The table below shows how we are spending the allocation.

Target area	Cost details	Potential impact	Measured impact
Contribute to the cost of an SSCO for Stokesley schools to ensure commitment to interschool competition, and the development of sports through coaching across our cluster of schools and opportunities to extend into Level 3 school games.	£1,000	Pupils to participate in a variety of interschool games, competitions and festivals. Staff CPD.	Increased participation, motivation and enjoyment in sport activities, games and events including interschool competitions across all three key stages. Developed staff expertise including assessment system that integrates with whole school assessment system: Target Tracker.
After School Clubs Qualified Sports Coach 1 hour each week.	£ 1608	Provide pupils with opportunities to develop personally, socially and physically through participating in extra- curricular activities in a safe, challenging and enjoyable environment. Enable pupils to take	Children's skills, abilities and confidence are developed. Increased participation in physical activity. Providing pupils with an opportunity to try something new.

		responsibilities for organization and development of their learning.	
Tranquil Treehouse	£1100	<p>Tranquillity During our tranquil time, we aim to let children just 'be'. We facilitate the process to allow children to be present, in the here and now, with clear, kind and relaxed minds. Our children's tranquillity practices are techniques that encourage and develop concentration, clarity and self-esteem. They are also a vehicle to calmly see the true nature of things. We practice visualisation which is used at the end of meditation in some of our classes.</p> <p>Mindfulness meditation Mindfulness is a form of mediation. It is simply 'awareness' or 'paying attention on purpose'. The main aim of our mindfulness techniques is to help our children calmly acknowledge and accept their feelings, thoughts and bodily sensations. In a rapidly changing modern world, this is a critical skill children need to learn. Used in collaboration with stories, the mindfulness techniques are used to nurture the whole child; physically, mentally and</p>	<p>At first all pupils struggled to settle and listen to the softly spoken words from the mindfulness app. However this is something that is now requested by most of the pupils as they seem to cherish this quiet time where they can focus on themselves. Mindfulness has increased the time that pupils are able to stay calm and quiet, they have developed their breathing techniques and some of these skills have been transferred into both the classroom and on the yard.</p>

		emotionally.	
Attendance at various sporting events in the area, including transport costs. Tag Rugby Multiskills X-Country Cricket Sportshall Athletics Quicksticks Hockey Netball Tennis Rounders Swimming Gala Aquasplash	£1394	Pupils to participate in a variety of interschool games, competitions and festivals.	Increased participation in school games and competitions across all key stages.
Provision of weekly swimming and water safety lessons for all children with qualified instructors	£6946.60	Children are required to swim at least 25m before they leave primary school.	The great majority of pupils can swim at least 25m before they leave Carlton.
Forest School	£4641.20	<ul style="list-style-type: none"> • Building confidence and independence • Feeling empathy for others and nature • Increased levels of physical fitness • Health benefits (from being outside) - sunlight and soil microorganisms boost the body's levels of serotonin, the chemical linked to feelings of wellbeing, while vitamin D, which is essential for bone and muscle health, is also provided by 	<p>Children get to experience activities they may never have experienced before. Learn new skills. Encourages children to try something new.</p> <p>Parents and pupils say that Forest school is fantastic because it enables children to build resilience and problem solve, independently.</p> <p>Pupils with SEND, who often struggle to engage indoors, are able to excel outdoors (particularly in communication and interaction).</p>

		<p>the sun's rays.</p> <ul style="list-style-type: none"> • Improved mental-health through maintaining a relationship with nature. This is helpful in supporting children's emotional and mental wellbeing. • Learning by experience • Exposure to manageable risk • Better sleep and mood • Learning about spiritual meaning 	
Trim Trail	£3478.20	New Trim Trail with elements to develop physical skills through climbing, balance etc.	Pupils use the trim trail for physical exercise and fun, it also helps coordination, dexterity and muscle development.
