

## Week 5 Home Learning 5<sup>th</sup> May-8<sup>th</sup> May 2020

Dear Class 1,

It is hard to believe that it has been 7 weeks since we last spent time together in school. During this time, we have moved through March, April and now it is May. Today it is May Day and sadly, the weather is not quite as good as it has been.

Thank You all so very much for keeping in touch and providing updates during these uncertain times for us all. It has been lovely to see so many of you share your learning on Tapestry. This week I have enjoyed your work on Captain Cook and experimenting with loading cargo.

Tapestry has a memo section where I will upload items of interest and upload and share short videos. You can also access Picture News here. Please remember that you can share news and all the activities you have been enjoying on Tapestry. It is lovely to see what you are all doing. This week I have really enjoyed seeing perfume being made!

### Maths

If you can, please access the White Rose Maths Hub and complete the daily lessons provided for Summer Term 1 2020 Week 3 for your specific year group. In addition, there are daily links to BBC BiteSize website. If you have any problems or do not understand something, please email Mrs Grundmann. The problems on Friday I recommend Y2 try Problem 1 and 2. I am not able to provide the worksheets at the moment, as the printer needs supplies that we are unable to get at the moment. Please try to print at home or copy the work into your books.

Please continue to access two tests a week in your S and S Books.

You should also continue to use Times Table Rock Stars. I can log on and see how you are progressing and how fast your responses are and I am sending you all a heat map for your Time Tables Rock Stars. The letter with your heat map will help you to see what you need to focus on. You will not move up a level until you reach a certain speed and fluency. It would be good to see if we can really improve these scores this week. You can access this on a tablet or an iPad as well as a laptop.

## English

Continue to read the blue books and complete the activities in the workbooks. The dictation is at the back of the book and the spelling patterns for the green words are on the white phoneme frames the children have.

Please remember to continue to enjoy your love of Reading. I have really enjoyed being able to hear some of you reading on Tapestry.

I will be uploading our next spellings on Spelling Shed in preparation for Monday. I am also sending you your spellings this week please make sure you all log onto Spelling Shed and do the correct list. Try to get someone to test you on your weekly spellings. I can log onto to Spelling Shed and see how you are getting on. Your log in details are in your spelling books.

## Topic - Pirates

Please see the Land Ahoy Topic Grid with all the activities to choose from. I have also uploaded this in the memos section on Tapestry.

Finally, and most importantly please continue to stay Happy and Healthy! Keep active, lots of positive thoughts and plenty of smiles and hugs. We miss you and are very proud of you.

Have a fun and fabulous week everyone!

Mrs Grundmann and Mrs Allison
