

## Home Learning 22nd June Summer Term 2 2020

Dear Class 1

I hope you have all had a good week continuing to be Beachcombers. I hope you enjoyed the stories that were on Tapestry this week I wonder which one was your favourite.

Charlie sent some wonderful pictures of his visit to the seaside. I wonder if this was Maggie's first trip to the beach. Can you see the cliffs?

Charlie also did some great fact sheets about sea creatures.

Joe has been enjoying many outdoor activities and his sandpit looks like a great place to pretend to be at the beach. Joe is also managing some long bike rides. I wonder if any of you have been riding your bikes?

Joe sent a picture of Bilsdale.

Can you see the school field?

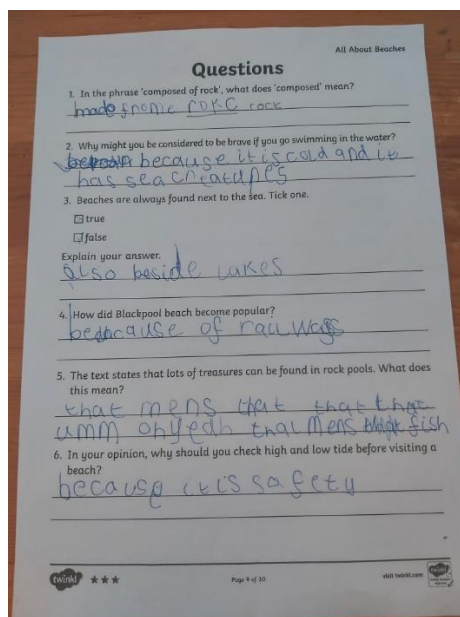

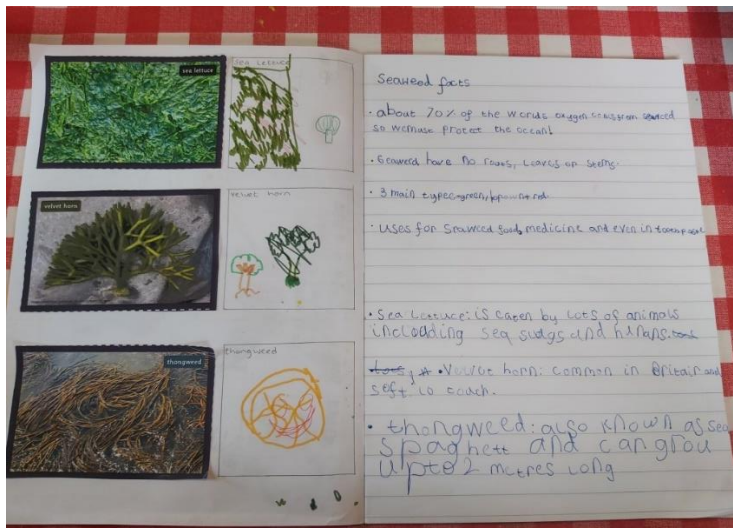

Maddie has been a super speller and was top of the leader board.

	Shed Score ↓	Total Score
1. 	1,603,322	4,689,872
MaddieR		

Maddie sent a book review of the Snail and the Whale.

Maddie has been busy finding out about oceans, beaches and seaweed.

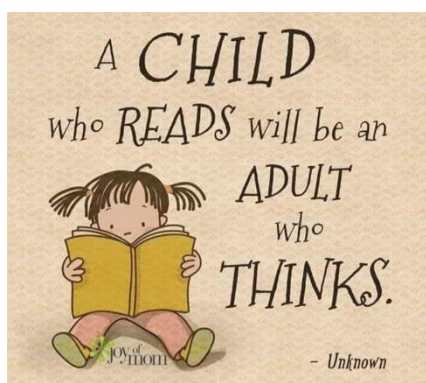

## Maths

Please continue to access the White Rose Maths Hub and complete the daily lessons provided for Summer Term 2020 Week 9 for Year 2. The work sheets are in the home learning packs you collected on Friday. In addition, there are daily links to BBC BiteSize website. There will be a challenge on Friday.

Please continue to access two tests a week in your S and S Books. You should also continue to use Times Table Rock Stars, if possible every day. You have to reach a certain speed before you can move up a level and that means you need to go on regularly.

## English

Can you read the letter from the bottle?

## Reading

Continue to enjoy your love of reading. Have you any seaside stories at home?

### A fun reading challenge

It will be great if you can get the opportunity to share a story, film it and upload it onto Tapestry. I miss you all reading aloud.

As always, please continue to access Spelling Shed. Weekly spellings will continue to be uploaded and your spelling list is in your learning pack.

I have included English opportunities through our topic, which I hope you will enjoy. This week's challenge is to try to write a letter in a bottle.

## Topic

Please look at the Topic Grid in your packs to see what activities you can explore and engage in. **Home Learning packs** provided on Friday 19<sup>th</sup> June include activities to support the online learning opportunities and our topic Beachcombers. Look out for the memos on Tapestry.

## Useful Links

This week, I would like to share with you these following good web links:

<https://summerreadingchallenge.org.uk/silly-squad-bc-landing>

<https://www.letsridelocal.co.uk/>

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

We appreciate as always, your continued support and would like to thank you all for your understanding. Take care, stay safe and have a wonderful weekend.

Very Best Wishes

Mrs Grundmann and Mrs Allison
