

Week 3 Home Learning 20th - 24th April 2020

Dear Class 2,

Hello again! The sun is out, weather is getting warmer, welcome to the summer term! I hope you all enjoyed Easter with your families and there is still some chocolate left!

Before I go any further, I have to say a HUGE thank you for the wonderful surprise email with your photo message. It was so lovely to see you all and you all looked so happy. You obviously put a lot of work into preparing your words.

All the staff loved it with Mrs Jackson, Mrs Tilley, Mrs Monsarrat, Kelly-Ann and Mrs Parker all commenting about how lovely it was and much it made them smile.

Thank you too for sending emails with updates of what you have been doing. I know some of you enjoyed the chocolate project especially the baking and tasting. Some fabulous art and craft work going on too. Guess who did a scavenger hunt and picked up a cat when asked to find something black!! I do pass messages on to Mrs Jackson and Mrs Tilley. They love hearing what you are doing as much as I do and send you all a smile.

As it is term time again, here are a few new ideas and reminders about Home Learning activities.

Maths

If you can, please access the White Rose Maths Hub and complete the daily lessons provided for Summer Term 1 for your specific year group. It really is fab with easy to follow video clips.

There are some amazing scores on Times Table Rockstars. Special shout outs this week to Mabel, Amelia, Harrison, Cameron, Samuel, Avagrace and Lucia. Keep playing everyone!

If you still have activities in your S/S Booklets that you have not completed you can always do those.

English

Great to hear you are finishing books. Do let me know if there is a book that you have read that you would recommend to others and I will add it to one of these letters. Keep reading everyone!

Spelling Shed: spellings go live every Monday morning until the following Monday. Some great games on there too.

Pobble 365

A great website with a daily, often curious, images and suggested activities.

Super Sentence Stackers

If you would like a writing lesson then find Super Sentence Stackers with Mrs Considine. She will ask you to watch a short video (usually around 5 mins) and then she sets a challenge of writing no more than 9 sentences about a chunk of the video. She demonstrates a chunk explaining her thinking as a writer so it really helps with ideas and how to be a better writer. Try this one first and let me know if you like the lesson:

<https://www.youtube.com/watch?v=v5RyH77-SQQ> Super Sentence Stackers lesson

<https://www.youtube.com/watch?v=WjqiU5FgsYc> The Present video used in the lesson.

Topic

Our topic is **Tremors** rocks, soils, volcanoes and earthquakes. Details of ideas will follow in another email.

Whatever you do, stay active, be positive, and keep smiling.

I look forward to hearing from you

Best wishes,

Miss Jeffries
