Meeting National Curriculum requirements for swimming and water safety

All children from Reception to Y6 swim for half an hour every week at Stokesley Leisure Centre.

What percentage of your current Year 6 cohort, swim competently, confidently and proficiently over a distance of at least 25 metres?

Our swimming and water safety attainment data has been interrupted by the coronavirus (COVID-19) outbreak, assessments have been made up to March 2020.

All pupils could swim 25 metres before lock down.

What percentage of your current Year 6 cohort, use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?

75% of pupils could swim using a range of strokes effectively.

What percentage of your current Year 6 cohort, perform safe self-rescue in different water-based situations?

Stokesley Leisure Centre did not open in the summer term, so we were unable to provide practical water survival which we had planned to do in the summer term. To compensate for the closure of the pool, water safety was taught as a class lesson in school and for those pupils working from home, information will be made available to parents and carers.
