Climate Action Plan
2026/27

Our Vision

At Carlton & Faceby and Bilsdale Schools we are **KIND**:

Kind and accepting

Independent learners

Never giving up

Determined to be our personal best

Under God's guidance, we teach children the importance of kindness towards others, tolerance and mutual respect. This empowers children to have the courage to achieve their personal best.

Psalm 145:17

'The Lord is righteous in all his ways and kind in all his works'

Luke 2:40

'And the child grew and became strong; he was filled with wisdom...'

As Church of England schools, we believe in God's creation and work to empower our children to understand the importance of the stewardship of God's world. We promote courageous advocacy, encouraging children to challenge injustice and to support those working to make the world a better place for all.

This action plan considers the ‘Sustainability Leadership and Climate Action Plans in Education’ initiative guidance from the DfE.
