

Dear Parent/Carer,

Red Nose Day 18 March 2022

Red Nose Day is back and we're all looking forward to a chance to get together for a giggle. Here's what we've got planned...

- Non-uniform day – Friday 18th March for a donation of £1 – Wear what makes you happy! (but remember it's a PE day too)

The following activities will take place at Bilsdale on Wednesday 16th March and Carlton on 17th & 18th March....

- Guess how many RED sweets in the Jar – 50p per guess
- Guess the name of the Parrot – 50p per guess
- Other fun games – 50p per entry

However much we raise will change lives, both here in the UK and worldwide.

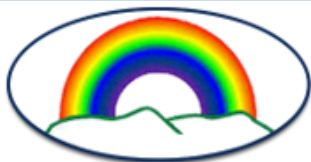

We'll also be using Red Nose Day as a learning opportunity to explore the issues facing young people across the world, and how the money we raise can help.

We really appreciate your support and hope that you'll have fun helping us raise lots of money for Red Nose Day.

Yours faithfully,

School Council

Dear Parents and Carers

I wrote to you in December informing you that our Executive Headteacher, Mrs McDonald, would be taking up a seconded role with Her Majesty's Inspector of Schools for two terms commencing 4th January 2022.

We are now at the beginning of the second half term of this secondment, so I thought I would write to you again assuring you of the continuing high standard of teaching at the schools. Thanks to the existing high quality of leadership, the hard work of Miss Jeffries and Mrs Grundmann supported by an experienced headteacher, Mrs Pearson, and all the staff at the schools, we have maintained the teaching and ethos across the federation.

As the schools continue to move forward, Mrs McDonald will continue her secondment and arrangements for leadership and management in the schools will remain unchanged for the rest of the Spring and Summer terms.

Thank you for your continued support for the schools and staff, it is greatly appreciated and contributes to the success of the arrangements. If anybody has any questions related to the arrangements, please do not hesitate to contact me.

Yours in Christ

Revd Canon John Ford
Chair of Governors
The Carlton & Faceby and Bilsdale CE Federation

Information for parents and carers on COVID-19 vaccination for at risk 5 to 11-year olds

Please share the following information with parents and carers of at risk 5 to 11-year olds.

Children aged 5 to 11 years who are in a clinical risk group or who live with someone who is immunosuppressed can get the COVID-19 vaccine, in line with advice set out by the [Joint Committee on Vaccination and Immunisation \(JCVI\)](#). Eligible children include those with diabetes, immunosuppression, learning disabilities, and other conditions as outlined by the [UK Health Security Agency \(UKHSA\) in the Green Book](#).

Vaccinations help to increase protection against COVID-19, which is particularly important for those with underlying health conditions.

Further information is available in the [guide for parents of children aged 5 to 11 years](#) published by UKHSA. We have published some [frequently asked questions](#) on the vaccination programme including information on eligibility, accessibility and advice for parents of children at high risk from COVID-19. Following [advice](#) from the JCVI, healthy 5 to 11 year old children will also be offered two 10 microgram doses of the COVID-19 vaccine. The NHS will prepare to extend this non-urgent offer to all children during April.
