The Carlton & Faceby and Bilsdale CE Federation Newsletter

Friday 21st April 2023

Dear Parents and Carers,

Welcome to our first weekly newsletter! It's been fantastic to see all of the children hard at work across both schools this week after the Easter break—we're really impressed with their attitude to learning. It's also been fantastic for me to get to grips with the schools and their routines, getting to know our amazing children and staff and meeting lots of you at drop off and pick up.

KS2 had an amazing time on Wednesday when they travelled to Sunderland to see 'The Lion King—The Musical' - this was a fantastic opportunity for the children to experience live theatre. A huge thank you to all of the staff who made this visit possible, especially since everyone didn't return to school until well into the evening. An extra special thank you must go to our fabulous PTFA for providing the funding to make the trip possible—you are amazing!

With best wishes for a lovely weekend,

Mr. M. Scott, Executive Headteacher

Collective Worship

Our value for this half term is Friendship.

A prayer for Friendship: Almighty Father, I give thanks today for the friendships in my life. Lord, this life isn't meant to be lived alone, so I am grateful for the people who walk alongside me, supporting me, loving me, and encouraging me. For we cannot do it all alone but are better together. Amen.

Safeguarding

The Designated Safeguarding Lead for the federation is Matthew Scott. The Deputy Designated Safeguarding Lead for Bilsdale is Rachel Grundmann and for Carlton is Diane Jeffries. The Safeguarding Lead Governor is John Ford.

If you have concerns about the safety of a child please speak to one of the staff named above. If you have concerns outside of school hours, please follow [this link](#) to the North Yorkshire Safeguarding Children Partnership website.

News from the Classes

Bilsdale

Both KS1 and KS2 settled back into school very quickly and are looking forward to the summer term and getting back into looking after the school garden. They have all been very busy and are already engaged in the curriculum. KS1 have started to look at Movers and Shakers in History and Human Survival in Science. KS2 have started learning about Maafa looking at maps of Africa and researching facts about an African country in Geography and learning key vocabulary in history. The KS2 trip to the Lion King has been a real highlight and the children were very enthused about how the production was staged and how the animals were portrayed. All agreed that the finale was spectacular and a real moment to cherish.

Carlton Class 1

Unfortunately Miss Robson has been poorly this week, we're hoping she'll be back in school on Monday.

EYFS this week have been settling back into the rules and routines of the day. We have been enjoying the warmer weather in the garden centre outdoors and have had an exciting delivery of some tiny creatures that we hope will grow and change into beautiful butterflies!

Reception have learnt some new sounds in Phonics and are focusing on numbers to 20 and beyond.

Carlton Class 2

It has been a great start to the summer term in Class 2 this week. We have enjoyed all our new learning on 'Movers and Shakers'! We had great fun in English, finding the shapes of a Sporting Biography and learning about Wilma Rudolph, who was a Resilient, Rapid Runner!

In Maths, Year 2 have started a new unit of work on Fractions and enjoyed finding equal and unequal parts. Year 1 have thoroughly enjoyed using the bead strings to count in 10s.

We would like to say a big Thank You to a very special Grandma for knitting King Charles for us. We enjoyed a great discussion based on significant people including the Monarch.

On Wednesday afternoon, we enjoyed some special active fun in the sun!

Carlton Class 3

Class 3 are already enthusiastically engaged in the History topic Maafa beginning with Geography looking at maps of Africa and researching facts about an African country. Our trip to see the Lion King has been described by the children as "being in Africa". The colours, sounds, songs and animals has brought the topic to life, a fantastic experience and stimulus for future learning.

Lion King—feedback from the children

The Lion King trip was amazing. The show was beautiful, colourful and full of excitement. There wasn't a bad scene, the puppetry was amazing too and the singing was superb. The make-up costumes and masks were all beautiful. The props were full of life. I would like to thank the PFA for buying the tickets to make it possible. I would also like to thank my parents for buying the coach to take me there. It was amazing. I would go again.

I was very amazed by the actors because they were really fluent with their movements. How did they get all of the props on stage and how big was back stage? At some points in the show it got very intense because how it was set up with lights. I always kept an eye on people on the sides doing all the music with the sound effects. I also really liked all the actors coming down the aisles. Thank you PFA.

The show was amazing and I loved it. When the elephants and hyenas came out from the stage it was very surprising. Also a really good part of the show was all the birds flying over us. I really liked how it didn't take long when they changed the place they were. The actors were amazing. It was exhilarating.

I am amazed by the show, it was brilliant. I loved how the animals actually moved like animals. There were so many props they brought on and used. The lighting was incredible. They made shadows of the animals. It was so intriguing. The show was so realistic, it was like being in Africa. The actors were fantastic. They did really well and their singing voices were amazing. Thank you PFA for buying us tickets. I really enjoyed the show.

Fresh fruit or yoghurt available with every meal!
