

Faith Hope Trust

The Carlton & Faceby and Bilsdale CE Federation Newsletter

Friday 30th June 2023

Dear Parents and Carers,

Although the weather has been more changeable this week we've still had a busy week with lots of excellent learning. There has been a buzz of excitement around school with singing and rehearsals going on. The children are very much looking forward to their performance next Thursday evening.

Next week is very exciting as we have our technical rehearsals and performance at Chop Gate Village Hall—all the information and reminders have been sent out earlier this week. If you have any queries or still need to order tickets please speak to Mrs Swales or Mrs Martin in the office.

With best wishes for a peaceful weekend,

Mr. M. Scott

Executive Headteacher

Attendance—our whole school target is 96%. This week's figures are: Carlton—94.9% Bilsdale—95.1%

Carlton's has improved slightly, please try and help us reach our target!

Awards

Well done to the following children:

1st—Hugo, 2nd—Daisy, 3rd—Eliza

Carlton KS2 (Y3/4)

1st—Sammy, 2nd—Harry, 3rd—Jack

Carlton KS2 (Y5/6)

1st—Alice

Notes

It's Behind You!

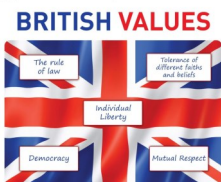

We wanted to give you advance warning of an upcoming event—we're delighted to be able to take all children from Reception to Y6 to the pantomime! We'll be going to the showing at Yarm School's theatre on Thursday 21st December—more info to follow. Huge thanks to the PTFA for funding the tickets.

Collective Worship

Our value for this half term is Respect.

Why not watch this video all about mutual respect—one of the key British values. <https://www.bbc.co.uk/programmes/articles/3wWbcGrYq210xzVjF9gHnqv/british-values-mutual-respect>

Safeguarding

The Designated Safeguarding Lead for the federation is Matthew Scott. The Deputy Designated Safeguarding Lead for Bilsdale is Rachel Grundmann and for Carlton is Diane Jeffries. The Safeguarding Lead Governor is John Ford.

If you have concerns about the safety of a child please speak to one of the staff named above. If you have concerns outside of school hours, please follow [this link](#) to the North Yorkshire Safeguarding Children Partnership website.

Tuesday 5th September	School reopens for pupils	All	n/a

Little Owls Plea!

Little Owls would like to renew some of their ageing outdoor equipment—if you have any trikes, balance bikes etc. that your children have grown out of that you'd be able to donate we'd be very grateful. In addition, if you have anything such as logs, drainpipes etc. that you no longer need they'd be very welcome for our wildlife garden. If you have any questions please speak to the school office, or to Mr. Scott or Mrs. Pearey on the gate.

News from the Classes

Bilsdale

At Bilsdale, KS1 have been very busy in maths completing the unit on money and moving onto time - looking at the months of the year, days of the week, hours, minutes and seconds. In English, they are working hard to write their final plot points on their narrative - The Way Back Home. In Geography they have used Google maps to explore Great Britain finding out that England has 51 cities, Wales has 6, Scotland has 7 and Northern Ireland has 5. They looked at physical and human features; the one that intrigued the most was the Giants Causeway in Northern Ireland. KS2 have worked very hard in maths and Year 5 have powered through negative numbers and are well on the way with converting units. Year 3 have completed shape and are enjoying working on statistics. Like Carlton, KS2 are focusing on healthy lifestyles and healthy food. In science, they looked at how a healthy lifestyle has been linked to circulation and how to keep a healthy heart. Using food labels, they discovered how this data and knowledge could help people to make healthier food choices. As part of DT, everyone will use this knowledge to plan a healthy menu and cook healthy food next week—update to follow.

Carlton Class 1

A fabulous week for Class 1! Little Owls had noticed that nature was taking over our Wildlife Garden and gave it a big tidy in preparation for our Little Owls leavers event. Reception have enjoyed learning all about measuring different lengths and exploring centimetres. We built sturdy bridges, some being longer, some shorter, others wider and some thinner. We are looking forward to the production next week and working hard to perfect our dance moves!

Carlton Class 2

Class 2 have had a great week! We can't quite believe we are heading into the final weeks of Year 2 and Year 1. This week, we have thoroughly enjoyed learning the songs for the summer production and are looking forward to taking part in the show next Thursday!

In English, we have enjoyed learning about the shapes of a non-chronological report based on the text 'Earth's Eatery'. We enjoyed an experience day based on Habitats and linked this with our knowledge learned in science. Working in

small groups, we then produced presentations based on a chosen Habitat for example: a desert or an ocean. Next week, we will be writing a shared

class non-chronological report on habitats focusing on woodland habitats and the creatures which live there. We have been really impressed with Year 1 and Year 2's engagement in this fascinating unit of work. In Maths, Year 2 children have been exploring position and direction. Later in the week, Y2 spent time consolidating their learning on statistics. In Y1, the children have moved onto study money, recognising £ and p.

Carlton Class 3

After maths and writing, Class 3's favourite thing is food so they are very happy this week knowing that we have a two week focus on healthy lifestyle and healthy food.

In science, healthy lifestyle has been linked to circulation and how to keep the heart healthy. Investigating food labels, they have discovered how quickly they consume their recommended daily intake of salt, sugar and saturated fat and how these are contributing factors to heart disease and strokes. In DT, the children have learnt that processed food is changed in preparation and includes processes such as cooking, freezing, pasteurising and canning. They have made fresh homemade bread and compared this to a processed sliced loaf. Next week, the children will plan a healthy menu and have the opportunity to cook a healthy meal.

OFSTED

As you know, Bilsdale was visited by OFSTED the week before half term. I'm delighted to be able to announce to you all that the final report has been published and that Bilsdale continues to be a good school! We were very happy with the outcome of the inspection as well as the conduct of the two inspectors who visited us. We feel that the points for development are fair and are things we have already identified in our continual school improvement cycle.

I'd like to take this opportunity to thank our team of wonderful, hardworking staff for all of their efforts both at Bilsdale and at Carlton—we have had two very positive inspections in the space of a couple of maths and this reflects their dedication to aiming to achieve the very best for every child.

Bilsdale's new report should be uploaded to the OFSTED website within approx. 1 week from publication. Bilsdale parents have already received a copy, if Carlton parents would like one please contact the school office.

Donations

Thank you to a very kind parent who donated lots of pristine games and toys to replenish our supplies. If you have any games or toys going spare we're always willing to accept! Anything we can't use we will donate to charity!

Uniform Swap

At the PTFA event next Friday we'll be running a 'Uniform Swap' - if you have any uniform that no longer fits your child please bring it along and feel free to swap it for something in their size. Also, if you have any unwanted games, books, puzzles etc please bring them along too. Nothing will be priced, and you can take for free if you'd like to. There will be a donations box for school funds if you did feel able to contribute.

We also have a significant number of unclaimed items of uniform, particularly sports hoodies and tops, which we will put out for the Uniform Swap event.

Safety whilst cycling reminder.....

It is commendable that some children enjoy cycling to school.

However, we have to remind everyone that a cycle helmet **must** be worn, even for the shortest ride to or from school and also when riding someone else's bike.

Get active with the Summer Reading Challenge 2023!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Ready Set Read! and is all about the power of play, sport, games and physical activity.

The challenge for children is to read 6 library books of their choice and collect special stickers and other prizes along the way - everyone who finishes will receive a limited-edition Ready Set Read! medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 15th July until Sat 9th Sept.

There will also be a fantastic programme of activities in libraries all summer, many of them free, to go with the challenge - look out for flyers with more details which will be given to children to bring home. One of the librarians from Stokesley will be delivering the flyers and telling all of the children about the Challenge in a special assembly at Carlton on the afternoon of Monday 10th July.

Pop-up Library

The final visit from the library will be on Friday 21st July (last day of term), children can bring any library books they have at home into school before the end of term ready for this visit. Alternatively you can return them to the library in Stokesley.

Please do not forget that the loan period is up to 3 weeks then books must be returned or renewed otherwise you risk library fines.

feast

Free activities for

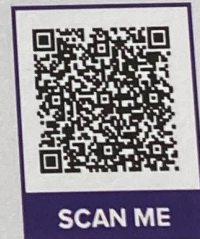

children and young people
this summer holiday.

**Packed with sport, art, fun
and food, there's something
for everyone**

Everyone in North Yorkshire from Reception to Year 11 can join in, with FREE places available for children and young people eligible for benefits-related Free School Meals.
