## News from the Classes

### Little Owls and Class 1

What a week! Class 1 have had the most fun packed, exciting week. It began with Skip2BFit where we were so excited to see some of our grown ups join us! Following the session, we continued to build our skipping skills and continued to grow and improve. On Thursday our new Reception starters had a delightful time enjoying lunch with their grown ups while our soon to be Year 1's spent the morning in Class 2. Today (Friday), Reception headed to the beach with Class 2. The children were a credit to the school and absolutely loved their time on the beach, particularly enjoying the ice cream! The Little Owls had a lovely morning learning in the areas without Reception around, they even had a sneaky treat of an ice lolly on our very own 'Carlton Beach' in the quad!

### Carlton & Bilsdale KS1

We have been enjoying the (slightly) warmer weather this week, despite our very wet Skip2BFit session on Monday afternoon! We would like to say a big thank you to all our parents who helped Dave to take all his equipment into the village hall so we could continue with our session. The children had so much fun!

We had great fun on Thursday morning learning to play cricket and practising for Sports Day in PE. The excitement is building and we look forward to a fun-filled morning of events and activities on Thursday 4th July. We have also been very busy completing our summer term assessments. We are incredibly proud of all the children for their amazing dedication and hard work. In science and art, the children have continued to learn about plants and enjoyed creating colourful flower heads using coffee filters and food colouring!

Our great week of learning was concluded with our summer school trip to Saltburn - more news to follow next week!

### Carlton and Bilsdale KS2

Fitness and perseverance has been a theme over this last week, with Y5/6 taking part in a triathlon for the first time. As we have great swimmers in Y5/6, the children found the swim section of the triathlon easy, but fun. They enjoyed the cycle as they don't get the opportunity in school to ride bikes and they all eased over the finishing line at the end of the run. The highlight of the event was meeting Jonathan Brownlee, England's Olympic and award-winning athlete; a great link to our history, as we will be learning more about the origins of the Olympics in our history lessons next week.

Our week began energetically, with the children getting active in Box2BFit, made even more enjoyable by some parent participation, which the children loved! Both events have given the children different enjoyable ways to keep fit and active. They certainly need lots of energy to maintain efforts during the next few busy weeks at school. It was fun to have parents come and join in.

### Internet Safety and Wellbeing Roadshow

Y5/6 travelled to Whitby on Wednesday to attend the Internet Safety and Wellbeing Roadshow. The main focus was how to stay safe online; running alongside this was workshops on how to remain positive and calm, different techniques to support wellbeing and promote activities away from the online world.

The children were reminded about PEGI age ratings:

Facebook, Instagram, Snapchat, TikTok - 13 years

YouTube - 18 years

It was made very clear that friends are the real people that you know. People online are strangers. Messages about not giving strangers personal information or believing everything they say were reinforced. This was underlined by the true story of Breck. The Breck Foundation, set up in his name, aims to empower children to protect against online grooming. More information can be found here:

## Skip2BFit

A big well done to everyone who took part in our Skip2BFit session on Monday.

## Y5/6 Triathlon

Y5 and Y6 pupils had a brilliant time trying a new sport last Friday when they journeyed to Harrogate to take part in The Brownlee Brothers Foundation triathlon. The children even got to meet Jonathan Brownlee!

Unfortunately, a technical glitch when transferring photos onto our system at school means we are unable to share them.

If your child is interested in further triathlon activities, the foundation has provided the following link which contains more information: <https://www.thebrownleefoundation.org/locations/harrogate>
