

At Carlton & Faceby and Bilsdale Schools we are **KIND**:

Kind and accepting
Independent learners
Never giving up
Determined to be our personal best

Under God's guidance, we teach children the importance of *kindness* towards others, tolerance and mutual *respect*. This empowers children to have the *courage* to achieve their personal best.

Psalm 145:17

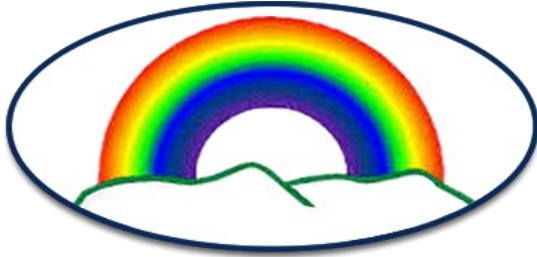

'The Lord is righteous in all his ways and kind in all his works'

Luke 2:40

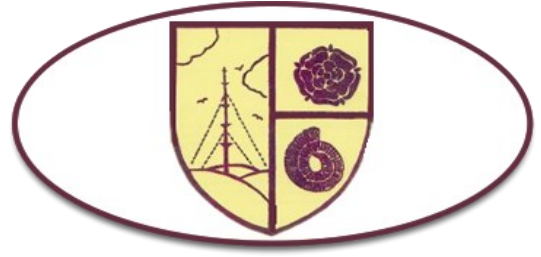

'And the child grew and became strong; he was filled with wisdom...'

We uphold these values through our golden rules:

- Be ready
- Be respectful
- Be safe

Notes

Sports Morning

Don't forget that our re-scheduled Sports Morning is on Thursday 4th July—children should come to school in their PE kit which can include a house coloured t-shirt (red for Bede, blue for Hilda and green for Cuthbert). If you don't have a coloured top their normal white one is fine and we will give them a coloured bib.

Spectators are welcome to wait after drop off, we should be starting at approx. 9.15am and will be finished by lunchtime. The morning will run in the same way as last year—a carousel of activities followed by traditional races.

Thank you.

News from the Classes

Little Owls and Class 1

Class 1 have been exploring the past and present relating to the seaside. We have enjoyed exploring our washing line of old pictures of the seaside and noticing what is the same and what is different. The children were able to identify key aspects of the beach and whether they look the same now or if they have changed. We have even had a go at making a timeline of images, deciding which look the oldest to the most modern. This week the Little Owls have been focusing on expressing their feelings and considering the feelings of others. With the help of 'The Colour Monster' story, accompanied by the colour monster puppets, the children discussed the different emotions and how we can apply this to ourselves in our daily lives.

Carlton & Bilsdale KS1

I would like to say a big well done to all our incredible Reception and KS1 children who upheld our school vision and values on our school trip to Saltburn last week. Their behaviour and manners were impeccable. On location, the children were able to explore the area safely and could successfully identify coastal features, including the physical and human features. We had lots of fun, building sandcastles and having a fun time on the beach. Our afternoon concluded with a well-earned, delicious ice cream kindly sponsored by the PTFA—thank you!

In history this week, we used our knowledge gained from our coastal visit to explore Saltburn in the past and Saltburn in the present. We had a great discussion on some of the reasons for the changes.

We have continued to enjoy our art this week art by exploring colour and pattern in more detail and creating a wonderful, bright and colourful flower head.

Carlton and Bilsdale KS2

The countdown is on! Only 28 days until the Paris Olympics (and seven days to our Sports Day) so KS2 have been learning about the origins of the games which were the greatest sporting event in ancient Greece. The children have produced some beautiful and detailed pieces about how the ancient games have influenced our contemporary event.

The countdown is also on to our production next week so all classes have been filled with singing at every opportune moment. There's a few more lyrics to learn this weekend and rehearsals next week. The children are very much looking forward to entertaining you next Thursday evening.

Make £5 Grow

For the past few weeks, Y5/6 have been taking part in Virgin Money's Make £5 Grow, a fun education programme for budding entrepreneurs. After sessions on problem solving, managing money and teamwork, the children considered a way to set up their own mini-business. Careful calculations and research led to decisions being made and yesterday the children enjoyed a baking morning at Bilsdale. Golden flapjack, tasty tiffin and sugar-coated school cake are all ready to be sold. Will they make a profit? We will tell you next week!

Thank you!

Faceby Stamp Collection

Can you save franked stamps please? They need to be proper stamps rather than printed ones please. These are being collected by the Cerebral Visual Impairment Society to help with fundraising. Cerebral visual impairment has become the commonest cause of visual impairment in children in the industrialised world and the society is run by a team of dedicated volunteers who greatly appreciate any fundraising. They will be delivered to the CVI Society in October so there is plenty of time to collect them. Please pop them into school and we will collect them. Thank you, Andrea Wheatley.
