

At Carlton & Faceby and Bilsdale Schools we are **KIND**:

**K**ind and accepting  
**I**ndependent learners  
**N**ever giving up  
**D**etermined to be our personal best

Under God's guidance, we teach children the importance of *kindness* towards others, tolerance and mutual *respect*. This empowers children to have the *courage* to achieve their personal best.

Psalm 145:17

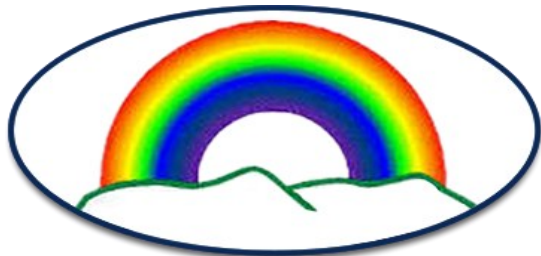

‘The Lord is righteous in all his ways and kind in all his works’

Luke 2:40

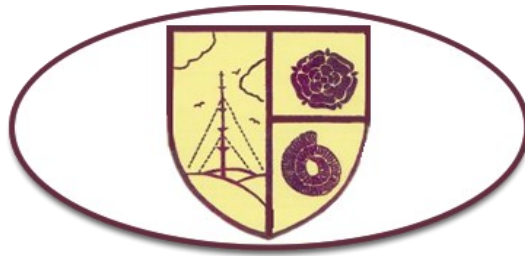

‘And the child grew and became strong; he was filled with wisdom...’

We uphold these values through our golden rules:

- Be ready
- Be respectful
- Be safe

## The Carlton & Faceby and Bilsdale CE Federation Newsletter

Friday 23rd January 2026

Dear Parents and Carers,

I hope you've all had a positive and enjoyable week. As always, it has been a pleasure to see our children engaging so enthusiastically in their learning and supporting one another around school.

Miss Temprell and Miss Armstong, our student teachers, have begun their teaching commitment this week and we're very impressed with their commitment and enthusiasm. They will gradually increase their teaching responsibility over the coming weeks, under the direction of myself and Mrs Cawthra.

On Tuesday Mrs Grundmann and I attended a reading conference and we're excited to implement some new ideas in school to further enhance our strong reading culture.

2026 also sees the launch of The National Year of Reading, so expect events throughout the year to further promote this.

With best wishes for a peaceful weekend,

Mr. M. Scott

Executive Headteacher

### Notes

#### KS2 Cross Country

Please remember that the KS2 cross country has been cancelled by the organisers. We hope it will be rescheduled soon.

Bilsdale children should attend Bilsdale School as normal please.

#### Swimming

Due to staff absence, swimming is cancelled next week. Pupils will do a full afternoon of PE and should be collected from Carlton at the end of the day.

### Safeguarding

The Designated Safeguarding Lead for the federation is Matthew Scott. The Deputy Designated Safeguarding Lead for Bilsdale is Rachel Grundmann and for Carlton is Diane Jeffries. The Safeguarding Lead Governor is John Ford.

If you have concerns about the safety of a child please speak to one of the staff named above. If you have concerns outside of school hours, please follow [this link](#) to the North Yorkshire Safeguarding Children Partnership website.

### Carlton and Bilsdale EYFS

What a wonderful week we have had in EYFS! The children have worked incredibly hard and have truly lived out our school vision in everything they have done. It has been especially lovely to see so many confident and independent learners exploring in the Quad, even in the rain! Such brilliant resilience, boys and girls!

In phonics, we have been learning the sounds y and z, and the children were fascinated to discover what a yak is. They impressed us with their enthusiasm and curiosity as they practised forming the letters and spotting them in words. In maths, we have been getting hands-on with weighing and exploring mass. The children really enjoyed investigating which objects were heavier or lighter and using balance scales to test their predictions. Lots of great mathematicians in the making!

Our afternoons have been filled with excitement as the children took part in role play linked to the traditional tale 'The Three Little Pigs'. From building houses to acting out scenes, their creativity and teamwork have been wonderful to watch.

Little Owls have also had a fantastic week. They have enjoyed lots of mark making and have explored maths through music and movement. It has been heart-warming to hear the children singing confidently and experimenting with a wide range of musical instruments.

We have continued to enjoy our PE lessons and this week the children rose to the challenge of adding a tuck jump into their routines. They showed determination, coordination and big smiles throughout. I am so very proud of everyone's achievements.

Well done EYFS -what a super week!

## News from the Classes

### Carlton & Bilsdale KS1

Class 2 have had a fantastic and busy week filled with creativity, teamwork and hard work across the curriculum.

We began the week with an enjoyable Forest School session on Monday where children used sticks, branches and clay to create imaginative portals to fairy-tale worlds. The children showed great creativity, particularly when describing where their portals led and the magical adventures that may take place beyond them. It was lovely to see such imaginative thinking and collaborative play outdoors.

Wednesday was a particularly exciting day in English, as we enjoyed a special campfire experience with Mr Atkinson. The classroom was transformed into a cosy campfire setting, complete with campfire songs, hot chocolate and marshmallows. The children thoroughly enjoyed the experience as it provided a wonderful opportunity to inspire storytelling and develop speaking and listening skills.

In maths Class 2 have been working extremely hard on place value and have really impressed us with their focus and determination. Their confidence with numbers continues to grow and their positive attitude to learning has been fantastic.

In history, we created a large timeline in the hall and, as a class, successfully placed all 57 British monarchs in the correct chronological order, dating back to 871 AD. This was a brilliant collaborative achievement.

In DT, the children explored Cath Kidston products, learning about her background and what makes her designs stand out.

What a brilliant week, Class 2- keep up the amazing work!

### Carlton & Bilsdale KS2

Concentration, creativity and curiosity have been the key themes in KS2 this week. As anticipated, the independent write has been a great success. Becoming absorbed in their writing, the children have written with focus and stamina and the resulting holiday brochures have convinced us all to book holidays to Crete!

Science provided a memorable moment this week with the children being amazed by thermocolour paper. This changed colour to show which materials were thermal conductors. The children were able to identify thermal conductors and thermal insulators.

In art, the children are studying expressionism. After sketching themselves with different expressions and looking at the artwork of Edvard Munch, the children mixed paint to match the colours in expressionist paintings in order to reflect the intended mood. The children will be using these skills and colours in the next few weeks as they build up to their final piece of artwork.
