

At Carlton & Faceby and Bilsdale Schools we are **KIND**:

Kind and accepting
Independent learners
Never giving up
Determined to be our personal best

Under God's guidance, we teach children the importance of *kindness* towards others, tolerance and mutual *respect*. This empowers children to have the *courage* to achieve their personal best.

Psalm 145:17

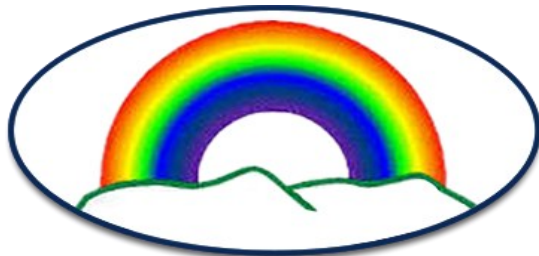

‘The Lord is righteous in all his ways and kind in all his works’

Luke 2:40

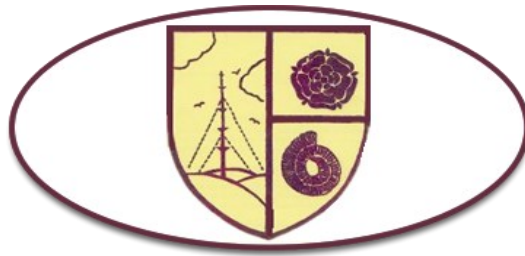

‘And the child grew and became strong; he was filled with wisdom...’

We uphold these values through our golden rules:

- Be ready
- Be respectful
- Be safe

The Carlton & Faceby and Bilsdale CE Federation Newsletter

Friday 17th July 2026

Dear Parents and Carers,

Another academic year has come and gone and, as I write this final newsletter for this year, I've been reflecting on all of the successes and experiences the children have had. From Reception's first day in school, to visits, sporting achievements, residentials and trips to London it really has been an action packed 3 terms. We hope the children will reflect on these memories over the summer break.

It's always a bitter-sweet time as we break up for the summer holidays as it means we say goodbye to children, families and staff for the final time. Thank you to all who came to our leavers service this morning—we wish Sammy, Bonnie and Anna and their families all the best as they move on to secondary school in September, as well as Fonzie and Rocco who also leave us today. We also say goodbye to Mr Body and Mrs Howe today and we wish them well for the future.

We hope all of our families have an enjoyable summer break.

Mr. M. Scott

Executive Headteacher

Attendance—our whole school target is 96%.

Bilsdale— 92%

Carlton—94%

National Average—94.7%

Collective Worship

No Outsiders this week was all about a bald eagle which made an unlikely adoptive parent. We had a great discussion about how this linked to different types of families. Further information here: <https://ks1no-outsiders-assembly.blogspot.com/2026/07/different-families-eagle.html>

Notes

Thank you

Thank you to all parents and carers who gave gifts to staff, your generosity is very much appreciated.

Thank you to all parents/carers for your continued commitment to our federation over the last year, we're looking forward to the 26/27 academic year beginning in September.

Safeguarding

The Designated Safeguarding Lead for the federation is Matthew Scott. The Deputy Designated Safeguarding Lead for Bilsdale is Rachel Grundmann and for Carlton is Diane Jeffries. The Safeguarding Lead Governor is John Ford.

If you have concerns about the safety of a child please speak to one of the staff named above. If you have concerns outside of school hours, please follow [this link](#) to the North Yorkshire Safeguarding Children Partnership website.

News from the Classes

Carlton and Bilsdale EYFS

As we reach the end of another fantastic academic year, it is time to reflect on what has been a truly wonderful year in Little Owls and Reception. It has been a privilege to watch the children grow in confidence, independence and enthusiasm for learning. From their very first days with us to the remarkable young learners they have become, every child has made us incredibly proud.

Throughout the year, the children have embraced every opportunity with curiosity, resilience and excitement. We have shared so many special experiences together, from exciting trips and visitors to performances, celebrations, sporting events and outdoor learning adventures. Whether exploring new topics, developing friendships, learning to read and write, counting and problem-solving, or simply enjoying time together, the children have excelled themselves in so many ways.

Most importantly, they have brought joy, laughter and energy to our classroom every day. Their kindness, creativity and determination have made them a pleasure to teach and we feel incredibly fortunate to have been part of their learning journey. As part of our end of year celebrations, our Reception children spent some time reminiscing about their favourite memories from the year:

Florence said, "I liked Sports Day."

Jasper said, "I liked going to the farm and seeing the animals."

Frank said, "I have loved playing in the areas."

Darcy said, "I liked going to Bilsdale to see Ellie's school."

Isla said, "I have liked learning to count."

Olive said, "I loved phonics."

Edward said, "I liked going in the modelling area."

Isaac said, "I have liked playing in the construction area and making jets in the model area."

Ted said, "I loved doing Skip2BFit."

These wonderful reflections capture just a small glimpse of the many happy memories created this year. We wish all of our children and families a safe, relaxing and happy summer holiday. Thank you for helping to make this such a memorable year.

News from the Classes

Carlton KS1

As we come to the end of another school year, I would like to celebrate all we have achieved. It has been a fantastic year filled with learning, laughter, and many memorable experiences.

This year, the children have worked incredibly hard and should be very proud of all they have accomplished. Throughout the year, they have all developed their reading, writing and maths skills, enjoyed exciting topics, built confidence, independence and resilience, made new friendships and learned how to work together as a team.

Just a few of our highlights this year have included: Sports Day, our visit to Preston Park and our Victorian classroom back in school, the multi-skills event at Stokesley School, our Nativity play and the end of year show, 'Mystery at Magpie Manor'.

Well done to every child in KS1! I am so proud of your achievements, kindness, and determination. You have shown great enthusiasm for learning and should be proud of how much you have grown this year.

To our Year 2 children, I wish you every success as you move on to Key Stage 2. I know you are ready for the next exciting step in your school journey.

Over the summer holidays, I would encourage children to continue to read regularly with family members, practise number facts and simple maths skills and keep up with Numbots and TTRS.

A huge thank you to parents and carers for your support throughout the year. Your encouragement and partnership make a real difference to the children's learning and development.

I wish you all a safe, happy, and relaxing summer holiday and look forward to welcoming the new Class 2 back in September.

To conclude, just a few of the children's memories from the year:

Dolly, Scarlett, Cruz - We all loved dressing up in Victorian clothes and having a Victorian school day. Mrs Leivers was strict and scary!

Alice - Multi-skills was good fun and the Victorian classroom session at Preston Park, also I loved walking along the Victorian street.

William and Rocco - Sports Day and multi-skills were great because I love competing in different sports.

Rafferty, Eve and Isaac - all enjoyed designing, making and decorating beach huts, adding sunshine colours and lots of stripes!

Penelope - I enjoyed 'Mystery at Magpie Manor' because we don't usually get the chance to have a speaking part and it was good fun.

Lavinia - I loved eating the sweet challah bread, the honey and apples when we were learning about Judaism.

News from the Classes

Carlton & Bilsdale KS2

A hard working, busy year comes to an end. With so many learning activities, memorable events and enjoyable visits, we asked the children for their highlights of the year.

Isabel: PGL was definitely the best by far. I enjoyed church visits.

Eboni: I enjoyed going to Stokesley secondary to watch The Addams Family.

Adelaide: I really enjoyed doing the triathlon because it was unusual and fun.

Arthur: This year has been one of the best years. I liked the school summer production Mystery at Magpie Manor.

Sam: My highlight of the year was PGL because I climbed to the top of the climbing wall and the zipline was really fun.

Rupert: This year was the best year because of Sports Day. I liked the running and trying to hit the ball off the cone with the bean bag.

Charlie: I will remember PGL, all the art lessons and even the triathlon.

Lyla: My three favourites were PGL, The Mystery at Magpie Manor and the triathlon but I have many more.

Drew: I remember performing on the stage where my lines were about carrots - I loved them. I liked the singing as well.

Lucia: This year I have enjoyed PGL and all the fun activities we did there and the triathlon.

Aoife: This year I have enjoyed Mystery at Magpie Manor. My highlight was PGL. I loved that.

Daisy: My three favourite things this year were: London, micro:bits and the online escape room.

Fonzie: The top five things for me have been: The Life Centre, the triathlon, citrus farming in California, The Mystery at Magpie Manor and the London trip.

Beth: My highlight of the year is PGL because I went on the zipwire.

Zara: My highlight this year has been the London trip because we got to see a real debate in the House of Commons and saw Buckingham Palace.

Lydia: My highlight this year was the triathlon because I enjoyed being with my friends and trying hard.

Aurora: My highlight this year has been the PGL because I enjoyed the rock climbing.

Siena: My highlight this year has been the triathlon because I didn't want to do it but, in the end, I felt proud of myself I wanted to do it in the end.

Zeff: My highlight this year is PGL because I liked the climbing and the ziplining. I also enjoyed going to see my tile being placed in Rievaulx abbey.

Sammy: This year has been a very memorable year. As it is my final primary school year, the leavers' assembly will be good. Sporting events have been brilliant.

Anna: My highlights of this year would be the Mystery at Magpie Manor because I really liked my part as Grandmama and everyone tried their best. I enjoyed the London trip because it was very fun and everyone enjoyed themselves.

Bonnie: My three highlights of the year have been Mystery at Magpie Manor, the nativity and the leavers' service. This has definitely been a memorable year.

10 Top Tips for Parents and Educators

TECH-FREE SUMMER FOR TEENS

For many 11- to 16-year-olds, summer can quickly become screen heavy, especially when socialising, entertainment, and downtime all happen via their devices. Encouraging a tech-free summer isn't about banning technology altogether, but about helping young people rediscover friendship, creativity, independence, and the great outdoors. The NHS recommends that young people aged 5 to 18 aim for an average of at least 60 minutes of physical activity each day across the week.

1 BUILD OUTDOOR CHOICE

Teens are more likely to engage when they feel they have a level of control. Create a simple 'summer outdoors menu' with options such as cycling to a favourite café, playing rounders, visiting a skatepark, dog walking, photography walks, geocaching, or helping around the garden. Parents and educators can then ask young people to choose two or three activities each week that interest them.

2 PREPARE THE KIT

Small barriers can stop teenagers going outside, especially if they feel uncomfortable, too hot, or unprepared. Keep a grab bag with sun cream, water, snacks, plasters, a cap, period products, and a lightweight waterproof. During hot weather, plan shade, water breaks, and calmer activities, as vigorous exercise is not advised on very hot days.

3 TRY MICRO-ADVENTURES

Outdoor activities don't need to be expensive or complicated. A micro-adventure could be as simple as watching the sunrise, walking to a local viewpoint, making breakfast outside, visiting a new green space, or planning a bus journey to a nearby nature trail. Encourage teens to plan the route, snacks, and timings themselves to help build their independence.

4 LINK TO REAL INTERESTS

A young person who dislikes sport may still enjoy being outside if the activity connects with something they already care about. Link outdoor time to music, art, animals, fashion, cooking, photography, or social interaction. Ideas include sketching in a park, making a nature playlist, filming a wildlife vlog script, or designing posters for a community garden.

5 CREATE SOCIAL PULL

For many teenagers, friends are the strongest motivator in various areas of life. Parents can invite one or two friends on walks, picnics, or garden games, while schools can promote lunchtime leagues, outdoor clubs, or summer meet-ups linked to existing interests. Make these activities feel social rather than supervised, with adults nearby for safety but not dominating the experience.

6 MAKE TRAVEL ACTIVE

Active travel is a practical way to build outdoor time into everyday routines. Encourage young people to walk, cycle, or scooter short journeys where it's safe to do so, such as to school, the library, a friend's house, or a sports club. Educators could run a summer 'active miles' challenge, with pupils logging their journeys completed on foot or by pedal.

7 USE PHONE-FREE CHALLENGES

Rather than simply saying, "Put your phone away", turn time spent offline into a shared challenge. Try a two-hour, phone-free park visit, a family evening walk, or a tutor-group challenge where pupils track their screen-free outdoor hours and share what they've been doing. You could all agree to keep devices in a box, bag, or classroom drawer, and allow for check-in time afterwards.

8 OFFER REAL RESPONSIBILITY

Teens often respond well when outdoor activities feel purposeful. Give them the responsibility for setting up a garden get-together, planning a picnic budget, leading a warm-up routine, mapping a walking route, or organising outdoor equipment. Schools could ask pupils to design an outdoor wellbeing trail, manage a sports rota, or support younger pupils during activity sessions.

9 REPLACE, DON'T REMOVE

If screens are taken away without an appealing alternative, young people may see outdoor time as a punishment. Replace gaming sessions with football drills, dance practice, basketball shots, treasure hunts, or card games outside. Replace screen scrolling with a 'boredom box' containing items like chalk, a frisbee, skipping ropes, playing cards, seed packets, or a disposable-style camera.

10 CELEBRATE SMALL WINS

Not every teenager will suddenly love the outdoors, so recognise their gradual progress. Celebrate a 20-minute walk, an hour at the park, a phone-free picnic lunch, or choosing to cycle instead of being driven around. Parents and educators can use praise, certificates, group displays, or simple shared reflection to show that outdoor effort matters.

Meet Our Expert

The National College provides expert-led training and resources to support schools, trusts and education settings worldwide. Its guidance helps parents and educators understand the issues affecting children and young people today, covering topics such as safeguarding, wellbeing, digital safety, and healthy development.
